

When nigel
met **sally**

NOT GETTING ENOUGH
engagement 
THROUGH YOUR **CHAT WINDOW** 

No one wants
to talk to me
:(

your secret to webchat success
socialninjas
is the **solution!**

click
me! 

Installed the web chat window in your website, but not seeing the level of engagement you're hoping for? It may be that you need to **increase your website traffic**. The more visitors you get, the more chats you'll start receiving.

MEET SALLY, OUR **socialninja**

click
me!

Not to fear,
Sally is here!

how does it work?

Our Research Ninjas have found that an effective way to achieve a higher level of engagement on your website is through **optimising your social media presence**. Sally is your unseen ally, working in the shadows to maximise your social media activity through Twitter and Instagram.

what does it cost?

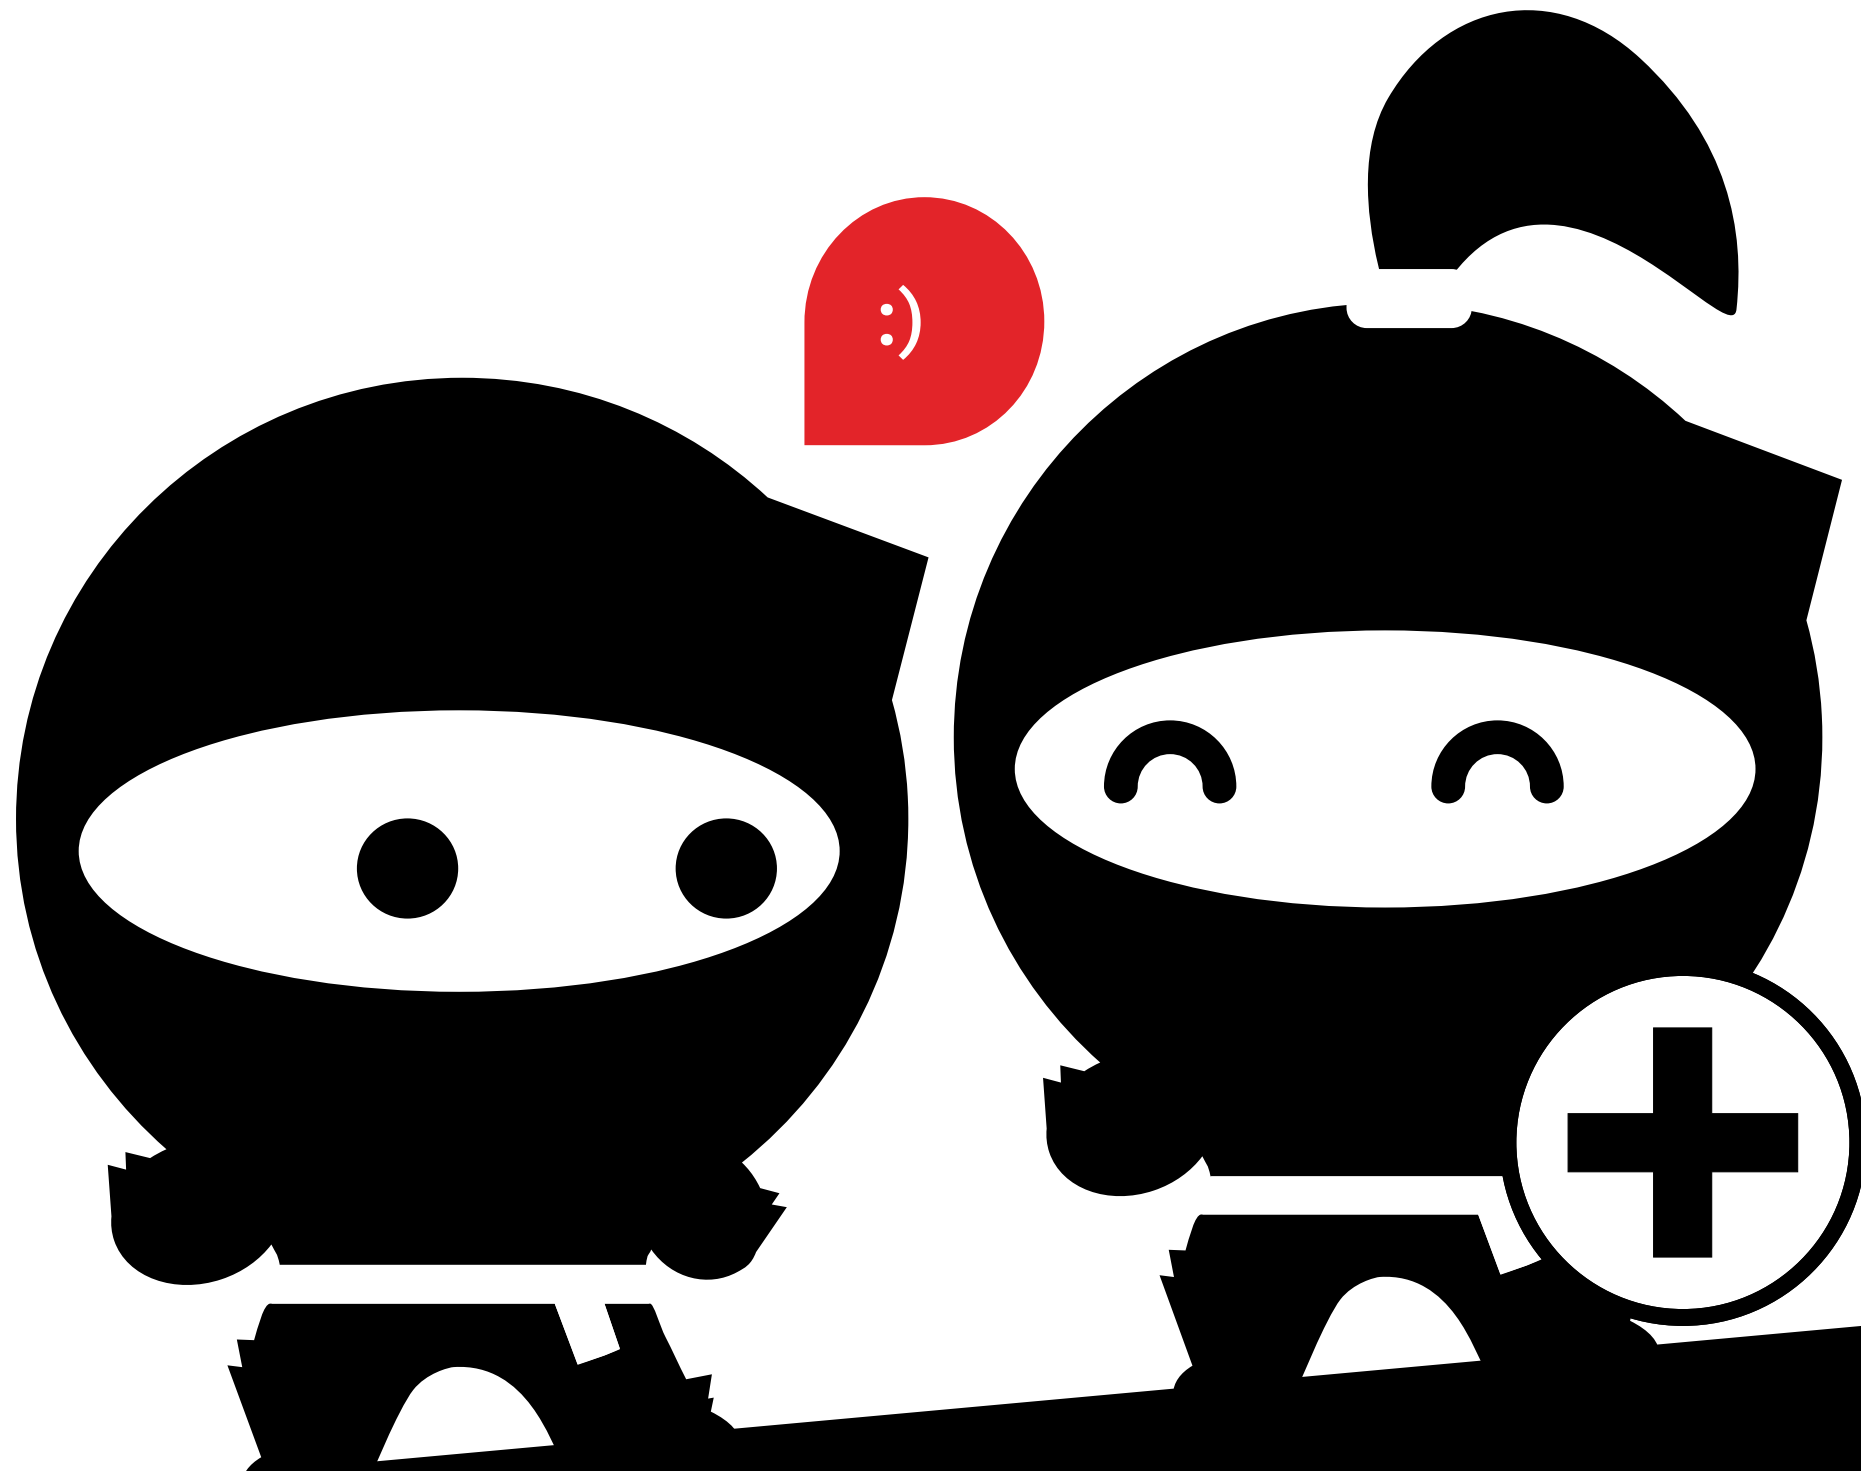

We can adapt our pricing to your needs, so get in touch to request a quote.
